

Wheel to Walk's Mission

The Wheel to Walk Foundation is a non-profit organization that provides children with disabilities medical equipment or services not provided by insurance.

Examples of items we provide are:

- ◆therapy tricycles
- ◆adaptive car seats
- ◆patient lifts
- ◆zip zac chairs
- ◆shower chairs
- ◆wheelchairs
- ◆cranial helmets
- ◆therapies: speech/physical/vision
- ◆gait trainers
- ◆wheelchair modifications
- ◆communication devices
- ◆adaptive strollers
- ◆orthotics
- ◆pumper cars

A direct service organization helping special needs children age 20 years and younger. We seek to help families on an individual basis, for medical costs can place a huge financial burden when having to pay out of pocket. Our goal is to ensure that no child with a disability go without essential equipment that could improve the quality of their life and increase their opportunities to thrive.
